Notice of Available Funding

The Kansas Department of Commerce and Housing announces the availability of \$1,750,000 from the State Housing Trust Fund to be utilized for homeownership, rental housing and/or housing with supportive services developments across the state. Homeowners assisted by the Housing Trust Fund must be at or below 115 percent of the area median family income. Renters assisted by the Housing Trust Fund must be at or below 80 percent of the area median family income.

Housing Trust Fund monies will be used to provide gap financing, ensuring that projects have the final amounts of funding necessary for completion. Loans, grants or combination loans/grants may be awarded.

Eligible applicants include private firms, local governments, other organizations and individuals. Applicants may be for profit or nonprofit entities. Approximately 30 percent of the funds awarded may be allocated to non-

profit organizations.

Applications must be consistent with the current local or state Consolidated Plan, Kansas Housing Template or other housing needs analysis. Applications will be evaluated and scored upon project design, financial feasibility, organizational capacity and development readiness. In addition to recognizing the merits of applications, the Department of Commerce and Housing will make awards to achieve a fair geographic distribution of funds.

All interested parties are encouraged to apply. For further information, or to request the program guidelines

and application, contact:

Notice of Hearing on Proposed Administrative Regulations

A public hearing will be conducted at 9 a.m. Monday, November 16, in the third floor conference room, Kansas Insurance Department, 420 S.W. 9th, Topeka, to consider the adoption of proposed changes in an existing rule and

regulation.

The 60-day notice of the public hearing shall constitute a public comment period for the purpose of receiving written public comments on the proposed rule and regulation. All interested parties may submit written comments prior to the hearing to Rebecca Sanders, Kansas Insurance Department, 420 S.W. 9th, Topeka, 66612-1678. All interested parties will be given a reasonable opportunity to present their views orally on the adoption of the proposed regulation during the hearing.

Any individual with a disability may request accommodation in order to participate in the public hearing and may request the proposed regulation and economic impact statement in an accessible format. Requests for accommodation should be made at least five working days in advance of the hearing by contacting Rebecca Sanders

at (785) 296-7811.

A complete copy of the regulation and the economic impact statement may be obtained by contacting the Kansas Insurance Department. A summary of the proposed regulation and its economic impact follows:

K.A.R. 40-1-35. Unfair trade practices; complaint register; form; annual submission. The Kansas Insurance Department is proposing that this regulation be revoked. The department has found that the companies will maintain a complaint file without this regulation due to the requirements of K.S.A. 40-2404(10). This statute requires that companies maintain a complete record of complaints and that record will be available to the Commissioner of Insurance upon request. The department has found that the additional requirement in K.A.R. 40-1-35 that a summary of complaints be filed annually is unnecessary due to this information being available to the department upon request as required by the statute. The economic impact on the companies and the department is positive because there is one less document to be filed with the department by the companies and one less document for the department to maintain.

Department of Revenue Division of Property Valuation

Appraisal Directive 98-033: Listing Prices and Fair Market Value

The following appraisal directive was adopted by the Director of Property Valuation pursuant to K.S.A. 79-505:

A question has arisen as to whether the "listing price" of property that is for sale can be considered its value for Kansas property tax purposes. The county appraiser shall not use the listing price of property as the sole criteria for determining the fair market value of property for Kansas property tax purposes.

By law, property other than land devoted to agricultural use, commercial and industrial machinery and equipment and certain motor vehicles must be valued based upon its fair market value for Kansas property tax purposes (K.S.A. 79-501, K.S.A. 79-1439, K.S.A. 79-5100 et seq., Kan. Const., art. 11, § 1, Kan. Const., art. 11, § 12). For Kansas property tax purposes, "fair market value" means:

[T]he amount in terms of money that a well informed buyer is justified in paying and a well informed seller is justified in accepting for property in an open and competitive market, assuming that the parties are acting without undue compulsion. K.S.A. 79-503a.

K.S.A. 79-503a also requires a county appraiser to consider several factors when determining the fair market value of property for tax purposes. These factors comprise the three approaches to value: the sales approach, the cost approach and the income approach. All appraisers must consider and apply the three approaches to value in order to determine the fair market value of property when data to perform each approach is readily available.

When determining the validity of an appraisal for Kansas property tax purposes, the courts have repeatedly stated:

[T]he essential question is whether the standards prescribed in K.S.A. 79-503a have been considered and applied by the taxing officials. The assessment of real property which takes into consideration only some of the pertinent statutory factors of K.S.A. 79-

503a cannot be upheld where evidence indicates there has not been a uniform and equal rate of assessment and taxation in the county.

In re Tax Appeals of Andrews, 18 Kan. App.2d 311, 318, 851 P.2d 1027 (1993), citing Board of Johnson County Comm'rs v. Greenhaw, 241 Kan. 126-27. See also Sunflower Racing, Inc. v. Board of Wyandotte County Comm'rs, 256 Kan. 426, 442, 885 P.2d 1233 (1994).

The highest courts in Kansas have held that compliance with K.S.A. 79-503a is a vital factor in the determination of whether a tax assessment is uniform and equal. *In re Tax Appeals of Andrews*, 18 Kan. App.2d 311, 317, 851 P.2d 1027 (1993).

The listing price of a property is not itself expressly mentioned as a factor that a county appraiser must consider when determining the fair market value of property for tax purposes. However, K.S.A. 79-503a does state that the appraisal process utilized for property tax purposes should conform with generally accepted appraisal procedures, when applicable. Uniform Standards of Professional Appraisal Practice ("U.S.P.A.P."), Standards Rule 1-5 provides:

In developing a real property appraisal, an appraiser must:

- (a) consider and analyze any current Agreement of Sale, option *or listing* of the property being appraised, if such information is available to the appraiser in the normal course of business:
- (b) consider and analyze any prior sales of the property being appraised that occurred within the following time periods:
 - (i) one year for one-to-four family residential property; and
 - (ii) three years for all other property types;
- (c) consider and reconcile the quality and quantity of data available and analyzed within the approaches used and the applicability or suitability of the approaches used.

Generally accepted appraisal procedures do provide that an appraiser should consider a listing price when determining the fair market value of property. However, it is wholly inappropriate for an appraiser to complete an appraisal simply by assigning the amount, or a percentage of the amount, of the listing price as the taxable value of a property. The listing price is simply one factor to consider when it exists; it is by no means the sole criteria of market value or the strongest indicator of market value.

A county appraiser must consider all the factors presented in K.S.A. 79-503a in order to determine the fair market value of property. A county appraiser cannot rely solely on a property's listing price as the basis for its fair market value.

Approved August 27, 1998.

State of Kansas Kansas Development Finance Authority Notice of Hearing

A public hearing will be conducted at 9 a.m. Thursday, October 1, in the conference room of the Kansas Development Finance Authority, Suite 1000, Jayhawk Tower, 700 S.W. Jackson, Topeka, on the proposal for the Kansas Development Finance Authority to provide funds not to exceed \$21,205,000 principal amount of revenue bonds for Kansas State University and its Intercollegiate Athletic Council. The bonds will be issued, pursuant to K.S.A. 74-8901 et seq., to provide funds to pay all or a portion of the costs of renovating and expanding the Kansas State University athletic facilities, including the football stadium, at Kansas State University in Manhattan, Riley County, Kansas, and to refinance certain outstanding indebtedness of the company (collectively, the project) and lease or sell the project to the company or loan the proceeds from the sale of said bonds to the company for the purpose of financing the costs of the project, all in accordance with and pursuant to the Act.

The bonds, when issued, will be special, limited obligations of the Kansas Development Finance Authority and will not constitute a general obligation or indebtedness of the State of Kansas or any political subdivision thereof, including the Authority, nor will the bonds constitute an indebtedness for which the faith and credit and taxing powers of the State of Kansas or any political subdivision thereof are pledged. The bonds will be payable solely from amounts received from the university, the obligation of which will be sufficient to pay the principal of, interest, and redemption premium, if any, on the bonds when they become due.

All individuals who appear at the hearing will be given an opportunity to express their views for or against the proposal to issue any specific bonds for the purpose of financing the project, and all written comments previously filed with the Authority at its offices at Suite 1000, Jayhawk Tower, 700 S.W. Jackson, Topeka, 66603, will be considered. Additional information regarding the project may be obtained by contacting the Authority.

Department of Health and Environment

Notice Concerning Hazardous Waste Facility Closure and Post-Closure Plan

The Kansas Department of Health and Environment has received a resource conservation and recovery act (RCRA) closure and post-closure plan from the National Cooperative Refinery Association (NCRA) for the final closure of the nonhazardous wasteland farm. This unit is located within the J-6 tank dike at the south end of NCRA's property in McPherson. The land farm was operated under interim status with an EPA identification number KSD007145956.

The closure and post-closure plan was submitted to the KDHE as required by Title 40 Code of Federal Regulations (CFR), Part 265 Subpart G and Section 265.280, as adopted by K.A.R. 28-31-8. From 1989 to 1992, nonhazardous waste streams produced by the petroleum refinery were placed on a 1.9-acre land farm located at the extreme south end of the refinery. The normal operating procedure was to spread the solid waste in a predesignated area upon the surface of the land farm with a front-end loader or similar piece of heavy equipment. Nonhazardous wastes in a liquid or slurry state were sprayed upon the surface of the land farm from a vacuum truck. The land farm was divided into sections so that the amount of material deposited on any area could be monitored, and the area where any material was placed was recorded. Approximately 4,100 cubic feet of waste was placed on the land farm annually. Waste was last placed on the land farm on May 13, 1992. The land farm was disced to a depth of approximately four inches at least monthly during the growing season to aerate the soil and to break up any clods present. The only waste alleged to be hazardous by EPA-Region VII was the last four loads of amine reclaimer waste material placed on the land farm between April 26, 1991 and August 1, 1991.

Closure of the land farm will include soil sampling of the surface soil and subsurface soil to determine if residual contamination exists above levels of concern. However, all waste previously applied to the land farm is expected to have undergone biodegradation and immobilization in the treatment zone of the land farm. Removal of all waste, waste residues and contaminated soil from the land farm followed by restoration will occur, if necessary.

In accordance with 40 CFR 265.112(d)(4) and 265.118(f), the public will be given the opportunity to review and comment on the closure and post-closure plan for the NCRA nonhazardous waste land farm. The closure and post-closure plan is available for public review until October 13 at the McPherson Public Library, 214 W. Marlin, McPherson, weekdays from 9 a.m. to 8 p.m. except Thursday and Friday; Thursdays from 9 a.m. to 9 p.m. and Fridays from 9 a.m. to 6 p.m.; Saturdays from 9 a.m. to 6 p.m.; and Sundays from 2 p.m. to 5 p.m.

The closure and post-closure plan also will be available for public review during normal business hours, 8 a.m. to 5 p.m. Monday through Friday, at the KDHE, Building 740, Forbes Field, Topeka; at the KDHE south central district office, 130 S. Market St., sixth floor, Wichita; and at the EPA Region VII Library, 726 Minnesota Ave., Kansas City, Kansas.

Comments should be directed in writing to Dr. Dennis Degner, Chief, Permits Section, Hazardous Waste Facilities Unit, Bureau of Waste Management, Building 740, Forbes Field, Topeka, 66620-0001. All comments must be postmarked by October 13. Requests for additional information may be made by calling (785) 296-1601.

If comments received indicate public interest in these closure and post-closure proceedings, a public hearing will be scheduled at a later date. Such comments also must be submitted by October 13. The public notice and public hearing procedures may be found in 40 CFR 265.112.

Contracts and Promises—Farm Equipment Dealership Agreements-Kansas Agricultural Equipment Dealership Act; Violations of Act. Senator Janis K. Lee, 36th District, Kensington, August 20, 1998.

K.S.A. 16-1205(b)(3) makes it a violation of the Kansas Agricultural Equipment Dealership Act to discriminate in the prices charged for agricultural equipment of like grade and quality sold by a farm equipment manufacturer to similarly situated farm equipment dealers. A manufacturer's certification program that results in different prices on like grade equipment to similarly situated dealers would violate the prohibition against price discrimination if the standards used by the manufacturer to determine certification are not equally available and fairly administered with respect to all dealers. Request for Comments

The Kansas Department of Health and Environment has drafted an amended permit for the Hamilton County municipal solid waste landfill, located in Section 1, Township 24S, Range 41W, approximately 1 mile northwest of Syracuse. KDHE is providing public notice of its intent to issue an amended municipal solid waste landfill permit to Hamilton County. The county recently made submittals that place this landfill in compliance with new state and federal regulations for small arid landfills, which became effective October 9, 1997. KDHE has drafted an amended permit to reflect these submittals.

A copy of the administrative record, which includes the draft permit and all information regarding this permit action, is available for public review until Monday, October 19, during normal business hours, Monday through Friday, at the following locations:

Kansas Department of Health and Environment Permits Section

Hamilton County Courthouse

P.O. Box 1167

Syracuse, 67878

Contact: Beverly Holdren, County Clerk (316) 384-5629

Anyone wishing to comment on the draft permit information should submit written statements postmarked not later than October 19 to Stacey Baalman (KDHE). After

consideration of all comments received, the director of the Division of Environment will make a final decision on whether to issue the amended permit. Notice of the decision will be given to anyone who submitted written comments during the comment period and to those who requested notice of the final permit decision.

State of Kansas

Governmental Ethics Commission

Opinion No. 1998-18

Written September 3, 1998, to the Honorable Anthony Hensley, Senate Democratic Leader, Topeka.

This opinion is in response to your letter of August 18, 1998, in which you request an opinion from the Kansas Governmental Ethics Commission concerning the campaign finance laws (K.S.A. 25-4142 et seq.). We note at the outset that the commission's jurisdiction is limited to the application of K.S.A. 25-4142 et seq., and whether some other statutory system, common law theory or agency rule or regulation applies to your inquiry is not covered by this opinion.

Factual Statement

We understand that you request this opinion in your capacity as the chairman of a designated state party committee. You wish to know whether a designated state party committee may use political funds to make a donation to a candidate for federal office.

Ouestion

May a designated state party committee use political funds to make a donation to a candidate for federal office?

Opinion

K.S.A. 25-4153(f) states:

Any political funds which have been collected and were subject to the reporting requirements of the campaign finance act shall not be used in or for the campaign of a candidate for a federal elective office.

In applying the language of this statute to your question, K.S.A. 25-4153(f) prohibits the use of any political funds which are subject to the reporting requirements of the Campaign Finance Act for use in federal campaigns. This statute does not differentiate between funds collected by candidates, designated state party committees, political action committees, or other organizations subject to the reporting requirements of the Campaign Finance (continued)

Act. Therefore, pursuant to the statute, a designated state party committee may not use political funds to make a donation to a candidate for federal office.

Opinion No. 1998-19

Written September 3, 1998, to Jean Duncan, Director, Kansas Real Estate Commission, Topeka.

This opinion is in response to your letter of August 20, 1998, in which you request an opinion from the Kansas Governmental Ethics Commission concerning the state level conflict of interest laws (K.S.A. 46-215 et seq.). We note at the outset that the commission's jurisdiction is limited to the application of K.S.A. 46-215 et seq., and whether some other statutory system, common law theory or agency rule or regulation applies to your inquiry is not covered by this opinion.

Factual Statement

We understand you request this opinion in your capacity as the director of the Kansas Real Estate Commission. You advise us that all real estate licensees must complete 12 hours of continuing education credits to maintain their licenses. The licensees may fulfill this requirement by taking mandatory and elective courses which have been approved by the Real Estate Commission as part of its official state duties. You inform us that the Real Estate Commission also approves the course instructors for these classes. These courses and instructors are offered by several independent schools and taught in various locations.

You have explained that an employee of the Real Estate Commission has requested approval to teach the mandatory salesperson and broker courses. This employee's primary official duty for the state is to examine records in real estate offices, although he frequently travels to other cities to conduct examinations and occasionally monitors two mandatory courses. You inform us that he is not involved in the approval or disapproval of continuing education courses or instructors, that he would not teach courses in other locations when he is out of town on commission business, and that he would not monitor courses of the school for which he would be an instructor. In addition, you inform us that the employee would inform any students that he teaches that he does not represent the Real Estate Commission.

Ouestion

Is it a conflict of interest for an employee of the Real Estate Commission to teach a required continuing education course?

Opinion

Pursuant to the state level conflict of interest laws, K.S.A. 1997 Supp. 46-233(a), which involves participation in the making of contracts, K.S.A. 1997 Supp. 46-235, which governs restrictions on compensation of state employees, and K.S.A. 46-286(a) which involves participation in the licensing and regulation of outside organizations, may apply to this question. K.S.A. 46-233(a) states in pertinent part:

No state officer or employee shall in the capacity as such officer or employee be substantially involved in the preparation of or participate in the making of a contract with any person or business by which such officer or employee is employed or in whose business such officer or employee or any member of such officer's or employee's immediate family has a substantial interest. . . .

K.S.A. 46-235 states in pertinent part:

No state officer or employee shall accept compensation for performance of official duties, other than that to which such person is entitled for such performance. No person shall pay or offer to pay any state officer or employee any compensation for performance of official duties, except a state officer or employee performing official duties in making payments to state officers and employees . . . The receipt of wages or salary from an individual's non-state employer during a period of service as a state officer or employee shall not be construed as compensation for performance of official duties.

K.S.A. 46-286(a) states in pertinent part:

No state officer or employee, in the officer's official capacity, shall participate directly in the licensure, inspection or administration or enforcement of any regulation of or in any contract with any outside organization with which the officer or employee holds a position.

In applying the language of these statutes to your question, K.S.A. 46-233 does not prohibit the employee from teaching the required continuing education courses so long as he does not, in his capacity as a state employee, participate in the making of any contracts between the state and the schools providing the courses. In addition, so long as it is not part of the employee's official state duties to teach real estate courses, K.S.A. 46-235 would not prohibit the employee from accepting compensation to teach the required continuing education courses. Finally, so long as the employee is not involved in the licensure, inspection or regulation of the schools which provide the continuing education courses, K.S.A. 46-286(a) would not prohibit his employment as an instructor.

Opinion No. 1998-20

Written September 3, 1998, to Richard S. Wetzler, Esq., Counsel for the City of Leawood, Kansas, Prairie Village.

This opinion is in response to your letter of August 27, 1998, in which you request an opinion from the Kansas Governmental Ethics Commission concerning the local governmental ethics laws (K.S.A. 75-4301 et seq.). We note at the outset that the commission's jurisdiction is limited to the application of K.S.A. 75-4301 et seq., and whether some other statutory system, common law theory or agency rule or regulation applies to your inquiry is not covered by this opinion.

Factual Statement

We understand that you request this opinion in your capacity as the counsel for the City of Leawood, Kansas. You have informed us that Marnie Clawson is a council member who is called upon to consider various applications for rezoning. Mrs. Clawson's husband is an officer of and employed by a large engineering firm that on occasion appears before the council on behalf of clients with rezoning applications. You inform us that neither Mrs. Clawson's husband nor his department are actually involved in the applications or the presentations to the council. In addition, Clawson has filed a statement of substantial interest which recognizes that she has a substan-

tial interest in the engineering firm pursuant to the provisions of K.S.A. 75-4301a(a)(2) and (4).

Questions

I. May Mrs. Clawson participate and vote on matters where her husband's engineering firm appears before the council on behalf of its clients with rezoning applications?

II. May Mrs. Clawson participate and vote on matters in which her husband's engineering firm is being considered for engineering work for the city?

Opinion

In her capacity as a council member for the city of Leawood, Kansas, Mrs. Clawson is governed by the local level governmental ethics laws (K.S.A. 75-4301 et seq.). Two sections of the local conflict of interests law must be reviewed to answer your question. K.S.A. 75-4304 prohibits a local official from participating in the making of contracts in which that official has a substantial interest. It states in pertinent part:

(a) No local governmental officer or employee shall, in the capacity of such an officer or employee, make or participate in the making of a contract with any person or business by which the officer or employee is employed or in whose business the officer or employee has a substantial interest.

(b) No person or business shall enter into any contract where any local governmental officer or employee, acting in that capacity, is a signatory to or a participant in the making of the contract and is employed by or has a substantial interest in the person or business.

(c) A local governmental officer or employee does not make or participate in the making of a contract if the officer or employee abstains from any action in regard to the contract.

(d) This section shall not apply to the following:

Contracts let after competitive bidding has been advertised for by published notice; and

(2) contracts for property or services for which the price or rate is fixed by law.

K.S.A. 75-4305 requires disclosure of actions other than contracts which affect a local government official's private business interests. It states:

(a) Any local governmental officer or employee who has not filed a disclosure of substantial interests shall, before acting upon any matter which will affect any business in which the officer or employee has a substantial interest, file a written report of the nature of the interest with the county election officer of the county in which is located all or the largest geographical part of the officer's or employee's governmental subdivision.

(b) A local governmental officer or employee does not pass or act upon any matter if the officer or employee abstains from any action in regard to the matter.

The absolute abstention requirement of K.S.A. 75-4304 is triggered only in contractual situations. This commission has consistently held that K.S.A. 75-4304 does not generally cover legislative decisions or administrative decisions such as those made by planning commissions, board of zoning appeals, or city councils dealing with rezoning applications. (See Commission Opinion 1994-38.) Thus, K.S.A. 75-4305 is the section that generally applies to the type of situations you describe. Under that

section, so long as the disclosure statement has been filed with the county election officer, Mrs. Clawson may participate and vote on rezoning applications presented by her husband's engineering firm.

If, however, the city were to negotiate a contract with that firm for engineering services, Mrs. Clawson would be required to abstain from *participation* in the making of, or voting on, that contract pursuant to K.S.A. 75-4304. Although the local governmental ethics laws do not provide a definition of the word "participation," as a matter of guidance, we point out the state level definition provided in K.S.A. 46-233(e)(2):

"Substantially involved in the preparation or participate in the making of a contract" means having approved or disapproved a contract or having provided significant factual or specific information or advice or recommendations in relation to the negotiated terms of the contract.

In conclusion, pursuant to K.S.A. 75-4305, Mrs. Clawson may participate and vote on matters where her husband's engineering firm appears before the council on behalf of its client. The Governmental Ethics Commission would note, however, that Mrs. Clawson's practice of abstaining from participation in or voting on these matters, while not legally required, is appropriate in an effort to avoid the appearance of impropriety. Finally, pursuant to K.S.A. 75-4304, Mrs. Clawson may not vote or participate in matters where her husband's engineering firm is being considered for engineering contracts.

Opinion No. 1998-21

Written September 3, 1998, to Casey R. Law, Esq., Counsel for Drainage District #4, McPherson.

This opinion is in response to your letter of August 19, 1998, in which you request an opinion from the Kansas Governmental Ethics Commission concerning the local governmental ethics laws (K.S.A. 75-4301 et seq.). We note at the outset that the commission's jurisdiction is limited to the application of K.S.A. 75-4301 et seq., and whether some other statutory system, common law theory or agency rule or regulation applies to your inquiry is not covered by this opinion.

Factual Statement

We understand that you request this opinion in your capacity as the counsel for Drainage District #4 (district) McPherson County. You have informed us that the largest landowner in the district is the Kansas Department of Wildlife and Parks (KDWP), which is developing the "McPherson Valley Wetland" area. You have also informed us that Todd Pesch, who is the Wildlife Area Manager for the KDWP, has been attending the annual meetings of the landowners of the district and has served on the Board of Supervisors of the Board of Supervisors.

Question

May the Wildlife Area Manager for the Kansas Department of Wildlife and Parks act as Secretary of the Board of Supervisors for the drainage district in which the Kansas Department of Wildlife and Parks owns land?

Opinion

In his capacity as secretary for the Board of Supervisors (board), Mr. Pesch would be governed by the local level governmental ethics laws (K.S.A. 75-4301 et seq.). There are no prohibitions in K.S.A. 75-4301 et seq. on dual office holding, nor are there prohibitions upon serving as a local official for an agency which does business with another state agency by which that local official is employed. K.S.A. 75-4304, however, prohibits a local official from participating in the making of contracts in which that official has a substantial interest. It states in pertinent part:

- (a) No local governmental officer or employee shall, in the capacity of such an officer or employee, make or participate in the making of a contract with any person or business by which the officer or employee is employed or in whose business the officer or employee has a substantial interest.
- (b) No person or business shall enter into any contract where any local governmental officer or employee, acting in that capacity, is a signatory to or a participant in the making of the contract and is employed by or has a substantial interest in the person or business.
- (c) A local governmental officer or employee does not make or participate in the making of a contract if the officer or employee abstains from any action in regard to the contract.
- (d) This section shall not apply to the following:
- (1) Contracts let after competitive bidding has been advertised for by published notice; and
- (2) contracts for property or services for which the price or rate is fixed by law.

In addition, K.S.A. 75-4305 requires disclosure of actions other than contracts which affect a local government official's private business interests. It states:

- (a) Any local governmental officer or employee who has not filed a disclosure of substantial interests shall, before acting upon any matter which will affect any business in which the officer or employee has a substantial interest, file a written report of the nature of the interest with the county election officer of the county in which is located all or the largest geographical part of the officer's or employee's governmental subdivision.
- (b) A local governmental officer or employee does not pass or act upon any matter if the officer or employee abstains from any action in regard to the matter.

Thus, in response to your specific question, a Wildlife Area Manager for the KDWP may act as secretary of the Board of Supervisors for the drainage district in which the KDWP owns land.

In addition, pursuant to the state level governmental ethics laws, Mr. Pesch, while working for the KDWP, will have to abstain from participating in the making of any contracts which affect the drainage district. (See K.S.A. 46-233.)

(Published in the Kansas Register September 17, 1998.)

Abbreviated Notice of Bond Sale Johnson County, Kansas \$39,575,000*

Internal Improvement Refunding Bonds, Series 1998A
(General obligations payable from unlimited ad valorem taxes)
and

\$1,895,000*
Library Refunding Bonds, Series 1998B
(Special obligations payable from unlimited ad valorem taxes)

Bids

Bids for each series of bonds will be received by Johnson County, Kansas, at the offices of Springsted Incorporated, 85 E. Seventh Place, Suite 100, St. Paul, MN 55101-2887, until 10 a.m. Thursday, September 24, 1998, for the purchase of the county's \$39,575,000* principal amount of Internal Improvement Refunding Bonds, Series 1998A, and the county's \$1,895,000* principal amount of Library Refunding Bonds, Series 1998B (collectively, the bonds), as hereinafter described. All bids will be publicly opened and read at said time and place and acted upon by the Board of County Commissioners of Johnson County, Kansas, immediately thereafter. No oral or auction bids will be considered. Bids for the Series 1998A Bonds shall not be less than \$39,179,250* plus accrued interest on the total principal amount of the Series 1998A Bonds. Bids for the Series 1998B Bonds shall not be less than \$1,876,050* plus accrued interest on the total principal amount of the Series 1998B Bonds.

The county reserves the right, after bids are opened and prior to award, to increase or reduce the principal amount of the bonds offered for sale. Any such increase or reduction will be in a total amount not to exceed \$400,000 for the Series 1998A Bonds and \$150,000 for the Series 1998B Bonds and will be made in multiples of \$5,000 in any of the maturities. In the event the principal amount

of a series of bonds is increased or reduced, any premium offered or any discount taken by the successful bidder(s) will be increased or reduced by a percentage equal to the percentage by which the principal amount of such series of bonds is increased or reduced.

The county has established a minimum level of interest savings desired for this refunding. If that minimum is not met through the competitive bids received on September 24, 1998, the county may reject all bids.

Bond Details

The bonds will be book-entry form only. The bonds will be issued in the denomination of \$5,000 or any integral multiple thereof; will be dated October 1, 1998; will be issued in the principal amount of \$39,575,000* for the Series 1998A Bonds and \$1,895,000* for the Series 1998B Bonds; and will become due serially on September 1 in each of the years as follows:

The bonds will bear interest from their date at rates to be determined when the bonds are sold as herein provided, which interest will be payable semiannually on March 1 and September 1 in each year, commencing September 1, 1999.

Bids for each series of bonds may contain a maturity schedule providing for a combination of serial bonds and term bonds, provided that no serial bond may mature on or after the first mandatory sinking fund redemption date of any term bond. All term bonds shall be subject to mandatory sinking fund redemption and must conform to the maturity schedule set forth above at a price of par plus accrued interest to the date of redemption. In order to designate term bonds, the bid must specify "Last Year of Serial Maturities" and "Years of Term Maturities" in the spaces provided on the bid form.

Delivery and Payment

The bonds will be delivered to the successful bidder(s) properly prepared, executed and registered without cost within approximately 30 days after the date of their sale in New York, New York.

Good Faith Deposit

A good faith deposit in the form of a certified or cashier's check or financial surety bond in the amount of \$791,500 must accompany each bid for the Series 1998A Bonds.

A good faith deposit in the form of a certified or cashier's check or financial surety bond in the amount of \$37,900 must accompany each bid for the Series 1998B Bonds.

Costs

The county will pay the cost of printing the bonds and the expense of all legal services, including the opinions of McDowell, Rice, Smith & Gaar, a Professional Corporation, bond counsel, approving the legality of the bonds and the exclusion of the interest thereon (with specified minor exceptions) from federal and Kansas gross income taxes.

Additional Information

A complete notice of bond sale, preliminary official statement and bid forms approved by the county will be mailed to all interested parties. Additional information regarding the bonds may be obtained from the financial advisor, Springsted Incorporated, at (651) 223-3000, or from the county's chief financial officer, Office of Financial Management, at (913) 764-8484, extension 6811.

State of Kansas Social and Rehabilitation Services

Notice of Hearing on Proposed Administrative Regulations

A public hearing will be conducted at 1 p.m. Wednesday, November 18, in the Staff Development Building, Room A, Topeka State Hospital Grounds, 300 S.W. Oakley, Topeka, to consider the adoption of amended changes to existing rules and regulations on a permanent basis effective January 1, 1999. Telephone conference will not be available. This 60-day notice of the public hearing shall constitute a public comment period for the proposed regulations. All interested parties may submit written comments prior to or during the hearing to Hope Burns, Office of the Secretary, Room 603-N, Docking State Office Building, 915 S.W. Harrison, Topeka, 66612. All interested parties will be given a reasonable opportunity to present their views; it may be necessary to request each participant to limit any oral presentation to five minutes. The phrase "Federal Mandate" following an item indicates that the change is required by federal policy. Optional changes in regulations related to federal programs are subject to approval by the U.S. Department of Health and Human Services.

Copies of the regulations and the economic impact statement may be obtained by contacting Hope Burns,

(785) 296-3969.

Any individual with a disability may request accommodation in order to participate in the public hearing and may request the proposed regulations and economic impact statements in an accessible format. Requests for accommodation should be made at least five working days in advance of the hearing by contacting Hope Burns or by calling the Kansas Relay Center at (800) 766-3777.

The adoption of the regulations will take place at 11 a.m. Monday, November 23, in the SRS executive conference room, 603-N, Docking State Office Building. Tele-

phone conference will not be available.

A summary of the proposed regulations and the economic impact follows.

Article 4.—PUBLIC ASSISTANCE PROGRAM

30-4-111. Applicable income: This regulation is being amended to provide for a standard income deduction of 20 percent of gross earnings for persons who are self-employed. However, if the person wishes to claim actual costs incurred, current guidelines for calculating the costs of income production remain in effect.

Economic Impact: This change is not expected to have

any discernable economic impact.

Article 6.—MEDICAL ASSISTANCE PROGRAM— CLIENTS' ELIGIBILITY FOR PARTICIPATION

30-6-111. Applicable income. This regulation is being amended to provide for a standard income deduction of 20 percent of gross earnings for persons who are self-employed. However, if the person wishes to claim actual costs incurred, current guidelines for calculating the costs of income production remain in effect.

Economic Impact: This change is not expected to have

any discernable economic impact.

Article 5.—PROVIDER PARTICIPATION, SCOPE OF SERVICES, AND REIMBURSEMENTS FOR THE MEDICALD (MEDICAL ASSISTANCE) PROGRAM

30-5-64. Prior authorization. The proposed changes remove several drug classes from the prior authorization list and add one class, drugs for the treatment of impotence, to the list.

Economic Impact: These changes to the prior authorization list are cost neutral.

Bearer of Cost: Not applicable.

Affected Parties: A limited number of Medicaid-eligible Kansans.

Other Methods: No other method was appropriate for the desired outcome.

30-5-82. Scope of rural health clinic services. The proposed changes further define and clarify the scope of reimbursable Kansas medical assistance program services.

Economic Impact: None.

Bearer of Cost: Not applicable.

Affected Parties: SRS/Adult and Medical Services and rural health clinic providers enrolled with Medicaid.

Other Methods: No other method was appropriate for the desired outcome.

30-5-82a. Reimbursement for rural health clinic services. The proposed changes further define and clarify reimbursement for covered rural health clinic services. K.A.R. 30-5-82a(d)(2)(B) incorporates the provisions of the Balanced Budget Act of 1997.

Economic Impact: There will be savings to the agency

of between \$500,000 and \$1,000,000.

Bearer of Cost: Provider-based rural health clinics.

Affected Parties: SRS/Adult and Medical Services and rural health clinic providers enrolled with Medicaid.

Other Methods: No other method was appropriate for

the desired outcome.

30-5-118. Scope of federally qualified health center services. The proposed changes clarify the scope of reimbursable Medicaid/Medikan services provided by federally qualified health centers.

Economic Impact: The proposed changes are cost neu-

tral.

Bearer of Cost: Not applicable.

Affected Parties: SRS/Adult and Medical Services and federally qualified health centers enrolled with Medicaid.

Other Methods: No other method was appropriate for

the desired outcome.

30-5-118a. Reimbursement for federally qualified health center services. The proposed changes further define and clarify reimbursement for Kansas medical assistance program services provided by federally qualified health centers. This regulation addresses rate setting, reporting requirements, productivity screens, overhead cost limits and retroactive cost settlement.

Economic Impact: Estimated savings of \$77,000 per

year.

Bearer of Cost: Federally qualified health centers.

Affected Parties: Federally qualified health centers and

SRS/Adult and Medical Services.
Other Methods: No other method was appropriate for

the desired outcome.

30-5-118b. Cost reimbursement principles for federally qualified health center services and other ambula-

tory services. This is a new regulation that was previously a part of 30-5-118a. For ease of understanding and convenience, 30-5-118a was divided into two major areas: reimbursement and cost reimbursement principles. K.A.R. 30-5-118a covers reimbursement and K.A.R. 30-5-118b covers cost reimbursement principles. Included in 30-5-118b are non-reimbursable costs and costs allowed with limits.

Economic Impact: Changes are cost neutral.

Bearer of Cost: Not applicable.

Affected Parties: Federally qualified health center providers enrolled as Medicaid providers and SRS/Adult and Medical Services.

Other Methods: No other method was appropriate for the desired outcome.

Article 10.—ADULT CARE HOME PROGRAM

Note: The following regulations are included as exhibits in the Medicaid State Plan submitted to the federal Health Care Financing Administration, United States Department of Health and Human Services. The Medicaid State Plan is mandated by 42 USC 1396a.

The regulations are not mandated by federal law per se because states are given great flexibility to design their

Medicaid programs.

30-10-1a. Nursing facility program definitions. Has been amended by clarifying existing regulations for the Adult Care Home Program. There were no new regulations included in the amendment.

Economic Impact: There is no fiscal impact to the pro-

posed changes.

Bearer of Cost: The Department on Aging, the Department of Social and Rehabilitation Services, and the NF and NF-MH providers bear the costs associated with adoption of these regulations in accordance with Kansas statutes. Providers will be reimbursed the costs associated with the adoption of these regulations through the Medicaid payments.

Affected Parties: The Department on Aging, the Department of Social and Rehabilitation Services, and the NF and NF-MH providers will be affected by the adop-

tion of these regulations.

Other Methods: The Department on Aging and the Department of Social and Rehabilitation Services staff considered other methods and determined that the proposed methods were the most appropriate to accomplish the desired outcomes.

30-10-2. Standards for participation; nursing facilities and nursing facilities for mental health. This regulation has been amended by changing the dates for the completion and submission of resident assessments to tie into the Kansas Department of Health and Environment requirements.

Économic Impact: Coordinating the resident assessments submission requirements with the Department of Health and Environment requirements should save both the state and providers money by eliminating additional

resident assessments.

Bearer of Cost: Please see 30-10-1a. Affected Parties: Please see 30-10-1a. Other Methods: Please see 30-10-1a.

30-10-15a. Reimbursement. This regulation has been amended by clarifying how the allowable Medicaid/Medikan cost of therapies are determined; requiring the providers to offset nonallowable therapy costs and to submit a work paper supporting the calculation of allowable therapies; and making technical changes.

Economic Impact: There is no fiscal impact to the pro-

posed changes.

Bearer of Cost: Please see 30-10-1a. Affected Parties: Please see 30-10-1a. Other Methods: Please see 30-10-1a.

30-10-15b. Financial data. This regulation has been amended by including the suspension of payments when providers are requested to send information needed to complete the desk review of the cost report and they fail

to do so within 10 working days.

Economic Impact: The fiscal impact of suspending payments when providers fail to submit requested financial information is minimal. The Medicaid payments will be sent to the provider when the information is received. The providers cash flow will be disrupted while the payment is held.

Bearer of Cost: Please see 30-10-1a. Affected Parties: Please see 30-10-1a. Other Methods: Please see 30-10-1a.

30-10-17. Cost reports. This regulation has been amended by striking the version of the cost report and instructions; requiring the cost report to be submitted on diskette for reporting periods on or after December 31, 1999; changing "projection status period" to "first year of operation" for clarification of the historical cost report period; providing clarification on what is considered a complete cost report submission; clarifying the requirement for reconciling of the working trail balance to the cost report; and making technical changes.

Economic Impact: The initial fiscal impact of requiring providers to submit the cost report on diskette is minimal. More than 70 percent of the providers submitted the diskettes on a voluntary basis. The use of diskettes will save on manual processing costs for both the providers and the state agency. Requiring the working trail balance to reconcile to the cost report will save additional work by both the providers and state agency by eliminating requests for additional informa-

tion. The other changes had no fiscal impact.

Bearer of Cost: Please see 30-10-1a. Affected Parties: Please see 30-10-1a. Other Methods: Please see 30-10-1a.

30-10-18. Rates of reimbursement. This regulation has been amended by clarifying that the private pay rates in the agency registry shall be on a per diem basis; providing instructions and requirements for determining the weighted average private pay rates for room rate differentials, level of care differentials and extra charges to private pay residents; clarifying that the weighted average private pay rate shall be reduced by discounts received by the residents; and making technical changes.

Economic Impact: There is minimal fiscal impact to the

proposed changes.

Bearer of Cost: Please see 30-10-1a. Affected Parties: Please see 30-10-1a. Other Methods: Please see 30-10-1a.

(continued)

30-10-25. Real and personal property fee. This regulation has been amended by adding an explanation of how the property allowance portion of the real and personal property fee is determined for a newly constructed nursing facility or for a nursing facility that enters the program but never had a real and personal property fee established; clarifying the reporting of interest expense when included in a real and personal property fee rebasing; extending the period for requesting a real and personal property fee re-basing from one year to two years; clarifying that property acquired prior to the two-year period shall not be considered in the request; requiring the submission of construction in progress subsidiary ledgers; and making technical changes.

Economic Impact: The agency estimates that the proposed change of allowing two years for providers to request a real and personal property fee re-basing will have a minimal fiscal impact. The other changes have no fiscal impact since they are for clarification.

Bearer of Cost: Please see 30-10-1a. Affected Parties: Please see 30-10-1a. Other Methods: Please see 30-10-1a.

30-10-26. Interest expense. This regulation has been amended by clarifying allowable interest expense and requiring a signed promissory note and loan amortization schedule be submitted with the cost report.

Economic Impact: There is minimal fiscal impact to the proposed changes.

Bearer of Cost: Please see 30-10-1a. Affected Parties: Please see 30-10-1a. Other Methods: Please see 30-10-1a.

30-10-28. Resident days. This regulation has been amended by requiring the submission of nursing facility (NF) and NF-mental health (MH) resident days, other residential days with shared NF and NF-MH costs, and day care hours on diskettes furnished by the agency; requiring the reporting of other residential days with shared NF and NF-MH costs on the uniform cost report; and making technical changes.

Economic Impact: The use of diskettes for reporting census data will save both the providers and the state agency in the long run by reducing manual processing costs.

Bearer of Cost: Please see 30-10-1a. Affected Parties: Please see 30-10-1a. Other Methods: Please see 30-10-1a.

Order a custom-made loose-leaf binder for the Kansas Register!

Custom-made Kansas Register
binders are now available. These
binders will attractively hold up to a
year's worth of your copies of the Kansas
Register for permanent use. They are high quality,
durable casebound Swing Hinge® binders made by McBee Loose
Leaf Binder Products. (A Swing Hinge® binder has more capacity
and allows for easier interfiling than standard ring binders.) The
three-inch binders feature dark blue supported vinyl covering and
gold imprinting.
